➤ Brush Peeling & Cleaning Machine

DS-WN075

DS-WN150

DS-WN300

We have different brushes for different kinds materials. Such as soft brush, hard nylon brush and abrasive brush. If you need to remove the impurities of the roots vegetables only, soft brush is the best choice. Hard nylon brush roller and abrasive rollers are doing well in peeling roots vegetable skin.

Main features:

- Wear-resistance brush roller for durable purpose
- Water spray for further cleaning
- Stainless steel 304 material entirely
